# Foreword

A vast new era in school construction, teaching, and educational methods was opened to us on September 14, 1959. This year, being the first, every act and accomplishment marked a precedent for the following years at Del Mar High.

The "Laurel," as suggested by Marc Bahl, graduating senior, was chosen the most significant and fitting name for your annual by you the student body. A branch or wreath of a true laurel symbolizes distinction, victory, or honor won, as by achievement.

In deciding a theme, the staff came upon the picture of the Don and chose it especially fitting to represent the construction of the school for our gay mascot to view in these following pages.

# Dedicated to . . .

To you, Mr. George Miskulin, we dedicate our yearbook with deepest admiration and loyalty for you as a person and as our principal. Throughout this, the first year of Del Mar, you have completely won the love and respect of our students by your sincere interest and pride in our activities. You said in your welcoming speech at our first assembly, "I will do everything I can to help you make the most of your high school years," and your ceaseless efforts which have made our first year so successful, bring out the truth in your promise.

Out of gratitude for your belief in us, Mr. Miskulin, both as individuals and as the Student Body of 1960, we dedicate this first volume of the Laurel.

A thinking man.

# Our Living Mascot

*Pitcher Long*

## Mr. Pitcher Long

"Don" Pitcher Long is a spirited, twinkling-eyed man of 81 years young who holds in his heart an exceptional love and loyalty for Del Mar High. Watching our campus grow from the beginning, each hall, each room, the amphitheatre, and football bowl mean something indefinably special to him.

Mr. Long is an understanding friend and shares a sincere interest in every Del Mar student. Discussions about his ardent love for gardening, last week's varsity game, or his trip from England to America in 1904 fascinate his many loyal pals. His wonderfully sparkling personality has made him truly a part of our first year at Del Mar.

# Big Shots

*Jeff*  
We had some  
real good times on our  
many fishing, hunting, and camp-  
ing trips. We've done a lot to-  
gether and I hope we continue  
to be well live so far apart. You're  
a real swell guy best to you all ways.  
Your very good friend

# Superintendent

## Superintendent's Message

On behalf of the Board of Trustees and myself, I want to express to the students of Del Mar High School my congratulations on a splendid first year in your beautiful new high school. You accepted the challenges of setting up standards and policies in a new situation, and have performed admirably. From the first day of school, you demonstrated your cooperation and loyalty to Del Mar High School. Your pride in your new school has shown in your scholastic performance, in your enthusiastic support of the extra-curricular activities, in the quality of your citizenship.

The whole community joined in Del Mar's Dedication ceremonies, made especially memorable by having the Governor of the State of California as the featured speaker.

To the graduating seniors, who have made such a fine adjustment to the transfer to Del Mar in this last year of high school, I extend my heartiest congratulations, and I hope you will come back to see us in the future, as you go forth into broader and more responsible endeavors.

## Principal's Message

Congratulations to this our first graduating class! You have made many unique contributions, some of which will have lasting effects down through the years.

The demands for an enlightened citizenry have probably never been greater. We hope that your academic appetites have been stimulated to the degree where you will want to continue acquiring added skills and knowledges. It is our desire that you leave us equipped to take your place in our complex society.

May the pioneer spirit of this class be a part of you always.

The first graduating class of Del Mar High has begun the first chapter in the school's history. The Seniors have now made their outstanding finale to their twelve years of learning.

This Class of '60 has shown its spirit, enthusiasm, and leadership in all activities, setting an all-time high record with 100% voting in the Spring student body election. This group has set a precedent that the other classes will try to live up to.

## Juniors

The past year has been a very successful one for the Juniors. One of the highlights was the terrific magazine sale, which showed the Class of 61's true spirit and enthusiasm. Then came the class party which was a big success with a choosing of the Junior queen for the affair. Last, by no means least, the first prom was held to top off a very memorable year.

Lots of luck to the next high and mighty Seniors.

## Sophomores

With pride the Sophomores look back at their accomplishments this year, as they reach this half way point. They remember the successful Sophomore Reception, with its theme, "Looking Ahead." The Sophomore Class Party was an enjoyable event that they won't forget for a long while.

With these two fun-filled years behind them, the Class of '62 is looking forward to their last two years.

# Her Majesty The Christmas Queen

On December 5, Queen Joan reigned over the first annual Christmas Dance, "Silver Bells", along with her court of four princesses.

The president of the student body, Lloyd Gillespie, crowned the queen at the royal event and sealed it with a kiss.

The queen was chosen through a school-wide election, finally limiting the choice down to five finalists. Of those, one became queen and the rest princesses. The winners were announced at the dance.

This event has started a tradition that will be carried on in future years here at Del Mar.

# Memories Are Made Of This:

## Opening Day of School

On September 14, 1959, Del Mar High opened its doors for the first time to the proud, awaiting student body of 1,414. On this day there were not only the Freshmen roaming the halls looking for rooms, but also the Seniors found themselves lost in the dazzling new school.

The students stood in lines to get their programs.

Student Council Members acted as guides for the day.

They talked over the good times they had over the summer.

Student Body President, Lloyd Gillespie, pushes Student Body cards.

Aud greets the student body for the first time.

Beatnik, Dave Goldner, asks Don Osborne why he should buy a student body card.

## First Assembly

A week after school was in session Del Mar held their first assembly. Council members, engaging in comical skits, illustrated the many values of a Student Body card. Aud, our foreign exchange student, was introduced.

# Governor's Dedication

On October 9, Governor Edmund Brown visited our school for the purpose of dedicating it at a banquet in honor of the occasion. Those who attended the event toured the campus. In receiving a letter of thanks from the governor, he said, "It was indeed a great pleasure to have been present at the dedication of the new Del Mar High School."

## Del Mar-Campbell Game

On October 23, Del Mar vied against sister school Campbell. The spirit soared as they met on the Don gridiron.

The girls had to open doors for the boys.

# Twirp Week

Twirp Week started October 19 and ended October 23 with the Twirp Dance, "Tender Trap". All week long the girls were obliged to carry the boys' books, open doors for boys, and do everything to be a perfect "gentleman". However, by finishing up the week with this dance all were in harmony again.

The boys piled the books on.

## First Trophy

On December 5, speakers from Del Mar participated in a tournament at Cupertino where the first trophy in the school's history was won.

# Dons on T.V.

Del Mar made its first TV appearance, January 7, in which the Dons were described as "the peppiest group ever presented on Record Hop" by the show's Emcee, Frank Darien. The Dons were represented by the spirit leaders, class officers, student council members and Grandpa Long.

When Rich Gugat was asked if he was on Del Mar's basketball team, he modestly answered, "I play." Then he went on to tell about the team.

Pat Stephenson presented the T. V. star with a Del Mar pennant to add to his collection.

Lloyd Gillespie told Frank Darien how the Student Council was painting garbage cans for the clean-campus campaign.

## Fall Sports Banquet

On January 6, Billy Wilson of the San Francisco 49'ers appeared at our first sports banquet.

Awards were presented to the members of the teams, and special recognition was given to Ron Ruscigno and Ron Stewart. The trophies were presented by the Beverly Burbank Lions Club.

Ron Ruscigno receives his trophy from Louis Dorcich of the Lions Club.

Ron Stewart is presented his award.

Coaches Vermeil and  
Walker

The Del Mar Varsity Football Team did not fare too well this year. We were victorious against only one other team in the SCVAL West division, Sunnyvale High. In all the rest we went down in defeat, even though several were close and could have gone either way.

In our first league start, we put up a stiff battle against the Fremont Indians for three quarters. At Santa Clara, we lost by an offside penalty which nullified what would have been a winning touchdown. Under the lights at Los Gatos our Dons had the ball for nearly twice as many offensive plays as did the opposition, but could not defend against the long passes of the 'Cats.

We made a poor showing in the first two stanzas of the Thanksgiving Day pageant with our newly initiate rival, Camden High. We did come back in the second half to hold the Cougars, but our 19 points in those final two periods were not enough to match their 25. Some have said that if there would have been another quarter to play in that contest that the fired-up Dons would have come out on top.

## WSCVAL

### Player of the Year

Rich Gugat

The surprise of the year at Del Mar was our Varsity Basketball team. Picked by the critics to finish near fourth or fifth spot in the WSCVAL, the Dons proved their worth by taking part in a three way tie for the loop crown.

Their league record at the end of the season showed a notable 8-2 mark, as they lost only to Los Gatos, in the league opener, and to Los Altos in the finale. If the Dons had won the last one they would have rested on championship laurels by themselves, but because of the loss, they were forced into sharing with the Sunnyvale Jets and the Knights of Los Altos.

Individually speaking, the standout member of the squad was Rich Gugat, a 6'2" senior. Rich was the high scorer in the league, a title which he has held for the past two years. He also was named player of the year in the WSCVAL, and received a berth on the ALL-SCVAL team, the North Coast team, and the Northern California team. As captain of this year's varsity, Rich certainly did his part in bringing recognition to Del Mar High.

## Girls' State

**Julie Phelps**

Girls' State--"A place where a delegate from each high school goes each year to learn more about government." This definition, although true, is brief and gives only part of the entire picture.

Looking at these words "go each year to learn more about government," a person does not realize how we formed into political parties and set up a complete state government, filling the official positions ourselves; legislation was actually carried on as if we had a state depending on us. By putting into practice things that we'd read all our lives in history books, this word "government" suddenly took on a new and distinct meaning to each Girl Stater.

In the definition of Girls' State, not brought out, either, are the warm, lifelong friendships and the common bond of Girl Staters, whether a girl goes to Girls' State in California or New York. The rich memories of both the business and social times make up my own definition of Girls' State, an experience for which I'm grateful and will never forget.

Julie Phelps

## Boys' State

**Lloyd Gillespie**

Words cannot express what a young citizen's heart feels when he is one of 800 boys, all of whom are competing against each other for government offices and learning the procedures of these offices.

Besides the elections, the city, county and state meetings, the political party rallies and the court sessions all carried on by the boys themselves, there is the daily routine of living and a recreation schedule for this huge group. This recreation includes music by the band, games, skits and the open canteen. A full schedule each day ends with the lights out at ten o'clock when all the boys are ready to get into their sleeping bags.

The memories I have of the California Boys' State twenty second annual convention are truly pleasant and worthwhile. This is probably one of the finest things that I will ever experience. I appreciate this opportunity given me by Mr. Miskulin and my sponsors, the Charles Wallace Legion Post Number 666. My thanks to them.

Lloyd Gillespie

# Foreign Exchange Students

**Aud Ostin-Olsen**

Dear Seniors of "60,"

I knew when I received the letter from American Field Service that told me that I had received the scholarship, that the year would be a wonderful experience. You have been so nice to me, and all of you have contributed to make this the most exciting experience I ever have had. You have made me feel at home at Del Mar, and the school belongs and means just as much to me as to you. I really do not know how I ever will be able to thank you for all the nice things you have done for me. The only thing I wish is that every single one of you, one day would have the opportunity to "explore" my country, and maybe you will find what I have found here; kindness, and friends for the rest of my life.

I want to thank Mr. Miskulin, the faculty, the students, the community, and all the individuals, who have made this wonderful year possible for me.

Sincerely,  
Aud Ostin-Olsen  
Norway

**Susan Todd**

I feel very honored to have been chosen as the first exchange student under the American Field Service Summer Program to represent the Campbell High School District abroad during this past summer, and wish to thank the School District, students, and community for this opportunity. It was a very rewarding experience, and one which will greatly influence my future life.

I spent the summer living with two families in Germany; six weeks in Southwestern Germany near Heidelberg, and two weeks in Northern Germany near Bremen. I also traveled to Kronach, Bavaria, where I spent three days, and, from there, visited the border of East Germany. I made many lasting friendships and learned many new things.

I had no knowledge of the German language, but found this to be no handicap, as the people were very willing to help me, and so I returned home with a working knowledge of their language.

I hope that the American Field Service Program will be continued in this district.

Sincerely,  
Susan Todd

## Flag Girls

The Del Mar High marching band strutted its way to success during its first year. Much spirit was added to the school by the band's enthusiasm and colorful uniforms. Contributing to the success of the band were the energetic flag girls, the talented majorettes, and the high-stepping drum major.

Many of the school's activities were enhanced by the presence of the band. Some of these included: football half time shows, assemblies, the variety show, and graduation. Because of its exceptional ability, the band was allowed to participate in activities outside of the school, which is quite an achievement for a first year band.

With such an outstanding year behind it, the Del Mar band will most certainly march on to more awarding accomplishments in the future.

# Concert Orchestra

The Del Mar High Concert Orchestra, which is under the able direction of Mr. Frank Triena, consists of the members of the String Orchestra and the first chair band musicians. In its first year, the Concert Orchestra has played for the Christmas Program, the P.T.A., assemblies, the Senior Play, Baccalaureate Services, the District Music Festival, the Stanford Music Festival, and the Spring Concert. The String Orchestra played for the District Music Festival, the Stanford Music Festival, the Spring Concert, and grammar schools in the area. Both of these orchestra groups have presented an outstanding year of entertainment.

The Del Mar High A Cappella Choir, under the leadership of Mr. Frank Triena, has contributed greatly to the spirited tradition that has been achieved this year at Del Mar. This 69 member organization has been active in inter-school as well as inter-community activities. Some of the highlighted performances have been the Del Mar Dedication, the Inter-District Festival, the Christmas Program, the Foreign Exchange Assembly, and the first Graduation. The members can be proud to say they have been a part of the first A Cappella Choir of Del Mar. The Del Mar High Glee Club, also under Mr. Triena's leadership, has added to the school's musical entertainment. This organization has accomplished much this year. They have appeared in assemblies, evening programs, the Christmas Show, and the Spring Concert. The 73 members in the glee club are made up mostly of Freshmen and Sophomores, who will go on to join the choir in the future.

To one cool head  
from another; Hey  
fella its been <sup>miss</sup> friends  
knowin' you, this is  
till the end; So be good now,  
the end. Your buddy  
"60"  
Rick Simoesi

To a real sweet  
guy its been alot  
of fun in study hall

John Carson

Jeff,  
So a real (from  
nice guy; I've enjoyed  
a better one.) high school.  
knowing through the future.  
Best of luck in the future.

- Jeff -  
The best of luck  
in the future years.  
Its been fun having  
you in Mech. Draw.  
Rick Stanley

Jeff,  
I hope you enjoyed  
putting together my chair

- Jeff -  
You are a real nice ~~guy~~ and  
I'm glad I knew you this last year.  
Best of luck.

Sim Chick  
Jeff -  
Good luck  
always to  
a nice guy.  
Remember  
the fun we  
all had on  
sneak day?  
Bobbi  
Trigueiro

Jeff  
Lots of luck in  
the future.

Jeff -  
Lots of luck in  
the future.  
Charles  
Roberts

Best of luck  
to a good friend  
to know for knowing  
you all that year and  
hope to see you after  
high school. We should  
go fishing this summer.  
your friend  
Rod Ballard.

Jeff  
I've enjoyed  
having you in my  
chemistry class. Good  
luck next year.  
Dennis  
Craig

Jeff  
lots of luck to a real  
swell guy. It has been  
fun knowing you and  
coping from you in much.  
Drawing. Good luck next  
year.  
Pete

Jeff, well we  
succeeded in chem  
and study hall. Remember  
Hanna.  
Dave Silva

Jeff  
I hope to see you  
in the future - I'll keep up  
the good work in math, drawing,  
and everything else and you'll  
be OK.  
Just remember -  
do a thing once a  
time. But once a  
time is enough!  
For  
weight is enough!
